These new townhomes offer 1,475 sq. ft. of living space with three spacious bedrooms, a four-piece main bath and a primary suite with an oversized shower and walk-in closet. Laundry is conveniently located upstairs with the bedrooms.

The bright, open kitchen and great room overlook the patio and fully fenced backyard, with a two-piece bath just off the entry. Artificial turf front and back and low-maintenance fencing make yard care easy. An electric furnace, central air and a heat recovery ventilator provide year-round comfort. Stainless steel kitchen appliances and a front-load washer and dryer are included.
