Spectacular Lakefront Residence in Steep Rock

alyciadawson@remaxinterlake.ca | 204-461-3225 | www.remaxinterlake.ca

Escape to the shores of beautiful Steep Rock with this exceptional lakefront property. Built in 2016, this stunning 1,972 sq. ft. Custom built home features 3 bedrooms, 2 bathrooms, and an inviting open-concept design highlighted by soaring ceilings, expansive windows, and breathtaking lake views. The spacious living, dining, and kitchen areas are flooded with natural light, creating the perfect setting for entertaining family and friends. Quality laminate and porcelain flooring run throughout the home, while the luxurious primary suite boasts heated tile flooring in the ensuite and convenient his-and-her walk-through closets.

Additional features include a powered she-shed, garden shed, and a gazebo complete with underground power. The impressive triple detached metal clad garage offers plenty of room for vehicles, toys, and projects, complete with a workshop and additional living quarters featuring 1 bedroom and 1 bathroom. Your own private boat launch is conveniently located on the north side of the property, making it easy to enjoy everything Lake Manitoba has to offer. Whether you're searching for a full-time residence or a family getaway this remarkable Steep Rock waterfront property delivers space, comfort, and an unbeatable lakeside lifestyle.
