Tucked away on a massive 200' x 215' lot, this inviting 3-bedroom, 2-bath bungalow offers incredible privacy, mature trees, and plenty of space inside and out. The beautifully treed backyard feels like your own private retreat, complete with a firepit area, vegetable garden, and covered concrete patio with seating space.

Inside, the bright and spacious main floor features an open-concept living room and eat-in kitchen, a large living room window that fills the space with natural light, generously sized bedrooms, and included appliances.

The fully finished basement adds even more living and entertaining space with a cozy wood-burning fireplace, tiled wet bar, guest room, and second bathroom. Outside, you'll also find a detached garage with an insulated and heated workshop—perfect for projects, hobbies, or extra storage.

Located in Warren, just one block from Warren Collegiate, this property combines small-town convenience with the privacy and space of a much more secluded setting.
