Welcome to this bright and inviting 1,076 sq. ft. home, situated on a large corner lot with plenty of space to enjoy inside and out. Featuring 3 bedrooms and 1 bathroom, the home is filled with natural light thanks to large windows throughout.

The kitchen offers oak cabinetry, stainless steel appliances, and plenty of functional workspace, while the living room features warm hardwood flooring.

The primary bedroom includes convenient his & hers closets, and the full unfinished basement provides excellent potential for future development.

Outside, enjoy an above-ground pool, large gazebo, spacious shed, and a double attached garage. The beautifully established yard is also home to an impressive variety of fruit, including Saskatoon berries, apple, pear, cherry, plum, and apricot trees and bushes.

With numerous updates already completed, this property offers plenty of space, character, and potential to make it your own.
